2. International Special Admission Track Ⅱ

• Eligible Department: Department of Global Liberal Arts (Freshman Admission Only)

College	Regular (Non-Transfer) Program	Spring	Fall
Global Liberal Arts	Global Liberal Arts	O	O

* Department of Global Liberal Arts

1. Program Overview:
   During the first year, students will complete various curricular and extracurricular programs, including Academic Korean and major exploration courses. Upon advancement to the second year, students will select their desired major and be officially assigned to that department.
2. Language of Instruction: Korean
3. Major Selection: To be eligible for major selection, students must:
   ① Complete two semesters and earn at least 27 credits; and
   ② Meet the Korean language proficiency requirement (TOPIK or TOPIK IBT) of the department they wish to enter. (Detailed requirements will be announced prior to the second year.)
   ※ Upon advancement to the second year, students may choose any department available under the International Special Admission program, except for the Department of History Education and departments in the Arts and PE fields.
   ※ Available departments and the quota for each department will be announced after enrollment.
   ※ If the number of applicants exceeds the quota for a department, students will be assigned to their 1st through 5th choice in order based on their first-year GPA, TOPIK scores, and other relevant criteria. (Students who are not assigned to a department will be assigned to a department with available capacity after individual consultation with the Dean and consideration of their academic performance.)

※ NOTES:

① Most courses in the Undergraduate Program are conducted in Korean, but some courses are taught in English.
② School of Architecture (Major in Architecture) is a 5-year program.
③ Students who are enrolled in the Department of Civil Engineering, Agricultural Civil Engineering, or Smart Bio-Industrial Mechanical Engineering must complete the ABEEK (Accreditation Board for Engineering Education of Korea) program. For transfer students, graduation may be delayed by one or more semesters depending on the number of credits recognized from the previous institution.
④ The Departments of Music, Design, and Fine Arts accept new students in the Spring semester only.
⑤ The Department of History Education at the Teachers College can admit up to 10% of the enrollment quota in accordance with the Ministry of Education's 'Guidelines for Operating Teacher Training Institutions Beyond the Quota'.
⑥ Preliminary successful candidates can only apply to the department they have been accepted into. (Preliminary admissionbecomes invalid if the department is changed.)

4 Eligibility

〈Nationality Requirement for All Applicants〉

- Applicants and both of their parents must be non-Korean nationals.
  * Nationality criterion is evidenced only if applicants and both of their parents acquire non-Korean nationality by the time the applicant begins the curriculum corresponding to the educational programs of Korean high schools.
- Multi-nationals with Korean citizenship are not eligible.
- Eligible Nationality Status must be established before the application due date.

1. Freshmen Admissions (Applicable to both Track Ⅰ and Track Ⅱ)

2 Apostille

Since July 14, 2007, the Republic of Korea has been part of the 1961 Hague Convention abolishing the Requirement of Legalization for Foreign Public Documents. The Convention provides for the use of simplified certification of public documents (including notarized documents) among countries that have joined the convention. The "Apostille" designation ensures that public documents issued in one signatory country will be recognized as valid in another signatory country.

※ **NOTE:** Newly admitted students from countries that are signatories to the convention must meet the following requirements:

① Official certificates (transcripts, diplomas, etc.) from public schools or institutions should be submitted together with an "Apostille" attachment.

② Official certificates (transcripts, diplomas, etc.) from private schools or institutions, however, should be officially notarized by a notary, agency, or any other authority competent under the law of the country of origin of the certificates; then, the certificates should be submitted together with an "Apostille" attachment.
